

# My town

The name of my town is Thessaloniki. The population is about 325,182 people. It is 19.31 km<sup>2</sup>.

It is a Greek port city on the Thermaic Gulf of the Aegean Sea, 6 h 47 min (661.9 km) from Athens. The most expensive area to live in is Aristotelous and the cheapest area to live in is Phlea. I live in Chortiatis.

The main jobs in my town are working in the port. There are many schools in my part of the town such as Anatolia College. The school I went to was 3<sup>rd</sup> Gimnasio Xortiati. The shops in my area include a coffee shop, a supermarket, a pharmacy, a food shop and a library.

The most important sport is football. The football team is Kissos.

Chortiatis is the best place to live and visit because the people are very friendly.
